

Sentry.co

Problem

Passwords in the cloud is inherently unsafe

Solution

Store passwords offline and keep your devices synced via our novel transfer and database tech. (10k dev hours / 3 years)
[product demo video](#)

Traction

- Launched 1.0 16th June 2023. For feedback and troubleshooting
- After 2 weeks: 100 website visits -> 50% converted to downloads
- Some great reviews, some UI bug reported

Team

- CTO ([André Jørgensen](#))
- CEO ([Linn Elise Bjerkli](#))

Roadmap

- Weekly releases with improvements
- Create a website that clearly communicates our USP
- Activate in-app-purchase
- Launch commercially
- Apply for grants
- Port our solution to other platforms (Need bigger team)

Fundraising

- Antler startup incubator (1.0Mnok) (Received)
- IN marketing grant (1.5Mnok) (Received)
- Angel invest 300k (Jonas Rinde) (Received)
- Other angel invests (In progress)
